Geocaching Etiquette

- ◆ Obey all local laws. Follow regulations governing the use of roads and other public areas.
- ◆ Don't harm the environment while searching. **NO Digging!**
- ◆ Respect the geocache. Replace the container exactly as you found it.
- ◆ Don't expose the cache to non-cachers (be stealthy)
- ◆ If you take something from the cache, leave something of equal or greater value.

GET STARTED GEOCACHING

1. Download a free official *Cache in on Brentwood History* Passport by clicking the [Passport Link](#). This passport is your proof you found each cache. Please keep it dry and clean.
2. All you need is a GPS or GPS Enable smart phone & trinket. You can download a geocaching app on your smartphone or tablet.
3. To get coordinates for sites listed in your Passport and other location information for the *Cache in on Brentwood History* geocaches, register for a FREE basic membership at www.geocaching.com. Log in and search for the caches in this series by the geocaching code (CODE GCXXXX) found on the passport .
4. Choose any geocache from the list and click on it's name to get started. They may be done in any order.
5. Enter the Coordinates of the geocache and waypoints into your GPS device and use your GPS to assist you in finding the hidden geocache.
6. Follow each site's instruction to find and open the caches. You may be asked to answer some questions along the way to determine the combination lock code to the geocache or other coordinates information.
7. Once the cache is found and opened, sign and date the log book inside and record the **Secret CODE** found inside the lid of the cache to your passport.
8. If you take a treasure from the cache , you **MUST** replace it with something of equal or greater value. **DO NOT** leave "trackable" items, candy or food.
9. Once you are finished with the cache, replace the log back in the cache, lock it and put it back exactly where it was hidden.
10. Log your finds at www.geocaching.com.
11. Now, onto the next site and do it all over again.
