The map interface shows a world map with labels for North America, Europe, Asia, Africa, America, Australia, and Antarctica. A search bar is at the top right. On the left, there are navigation controls: a plus sign, a minus sign, a home icon, a location pin icon, and a full-screen icon. A tip message in the center says: "Tip: This question will try to use your location. Press to continue." At the bottom left, it says "Esri, USGS | Esri, FAO, NOAA, USGS". At the bottom right, it says "Powered by Esri". At the very bottom, there is a status bar that says "No geometry captured yet." with a location pin icon.
